P.O. Box 384

Sharon, MA 02067

In an effort to better acclimate new (and old) members to STC, as well as increase their opportunities to play, the club is inaugurating a new program called the "Buddy System." Members who wish to participate may be "players" or "guides." Players are members who wish to be introduced to other members of similar playing ability and temperament. Guides are members who will hit with a player and then recommend other club members that would be compatible partners and opponents.

I would like to be a Buddy System Player: _____

I would like to be a Buddy System Guide: _____
