Sharon Tennis Club

PO Box 384

Sharon, MA 02067

In effort to acclimate new members to STC, as well as increase their opportunities to play, the club is offering a “Buddy System”. Members who wish to participate may be either mentors or players. Players are new members who wish to be introduced to other members of similar playing ability and temperament. Mentors are existing members who will hit with a player and then recommend other club members that would be compatible partners and opponents

I would like to be a Buddy System Mentor
